Organisation details; charity registration. Group of village residents joined together to work on a project to enhance a plot of unused land on Bondgate, in the heart of the village to create a beautiful space for wildlife and residents to either meet friends old and new or to just sit quietly in the mists of nature enhancing their mental well being.

Amount of the grant £500

Purpose of grant To pay for the felling of dead and dying trees, a bound gravel path so all ages and physical abilities can use, side gate, replacement of new smaller and manageable size fruiting trees, bushes, wildflowers, handrail for the front steps, seating, wooden archway at top of the steps, bird,bat boxes and bug hotels.

Who will benefit from the grant? The village residents of all ages and physical abilities, schools and groups in the village plus by creating a welcoming space for wildlife it will give it a safe space to thrive.

Amount of grant required?
£500

If the grant is for a project - then please complete the details below:

What will be the total cost of the project?
Roughly £8,000?

If the project is more than the grant how will the rest be funded? we will use the felled trees to make wooden animals to sell to raise funds also we are applying for as many grants as we can and asking local firms if they will help.

Most of the work will be carried out by our amazing team of volunteers.

Have you applied for other grants for this project? If yes please give details of grants applied for

NWLDC and LCC

Signed.....Debbie Bexon Chair of the Bondgate Community Garden.....

Please note that the Parish Council has limited funds for grant applications and is governed by statute as to who or what it can give to.

The Parish Council generally only gives to village organisation, however, will consider each application on its merit.
